PROFILE

I'm a national youth amateur player with verse experience. I started playing football when I was 11 playing for a junior team (Southern Rovers FC) in Bo City. After two years, the team got registered as a second division team with new management (Iftoni FC). I qualified the team to the first division in 2012. Due to poor management after i spent four years in the team(Iftoni Fc),i was sent on a year loan to Sartie Fc. I received my final invitation to join the Premier league team (Bo Rangers FC) in 2014.

Am a player with self discipline and with leadership qualities,very much obedient & respectful to elders,coaches,teammates,officials,fans & supporters. Am always ready to learn more.
