SEASON 2011-2012-2013: I started playing with **AC Milan second team**, collecting over **20 appearances** in the first year between the championship (reaching the semi-finals of the championship) and the tournament of **Viareggio**.

The second year **I was the starting goalkeeper reaching the final of the Viareggio tournament and the semi-final of the championship**. In these 2 years I was coached by mister **Aldo Dolcetti** and mister **Beniamino Abate** as goalkeeper coach and called up 19 times between the Serie A and the **Champions League** with the first team and called up for the **pre-season with mister Massimiliano Allegri**.

In the last 3 seasons at A.C. Milan I have been called up by the Italian national team.

SEASON 2013-2014-2015-2016: at the end of the A.C. Milan experience I was sent on loan to **Teramo football** where I stayed for 3 seasons, collecting 29 appearances among professionals, winning the 2013/2014 league championship and reaching **promotion to Serie B** in 2014/2015 (with Gianluca Lapadula and Alfredo Donnarumma).

SEASON 2019-2020: I collect **18 appearances** from the beginning of the season until January when I underwent surgery to a capsule-meniscal suture of the external meniscus of the left knee. After the lockdown for Covid-19, **we play 3 playoffs turns and conquer the Serie B in July**.
