

FOOTBALL PLAYER

PROFILE

I am an Italian football player who play as a right-back or left back. I can also play as a right or left winger.

As a full-back I am a defender but I'm able to attack.

Managers talk about me as a clever footballer, fast and technical player.

I can kick with both feet and I like to assist my teammates.

I started as a Professional footballer in U.S. Sassuolo Calcio youth team (Italy).

My dream is to play abroad.
