Daniel Sandu

Chief Scout at Smart Sport Marketing
Bucharest, Romania

Rezumat

"Go the extra mile, is not crowded"

Lived in USA, France and Belgium until now, looking for new challenges and new opportunities to develop in a future career in football.

I am a highly motivated young sport professional with a strong knowledge about sports world based on a combination of studying and working in a field. Excellent understanding of what is happening in the sports world and focus on my development as a person and a professional of the theoretical sports field.
