Ian SimmAssociate Director - Projectsat NewsBaseNovember 14, 2014, Ian workedwith Paulo but at differentcompanies	Paulo's knowledge of football is second to none. I have been privileged to know Paulo for several years, and his attention to details is flawless. Despite speaking several languages myself, Paulo's ability to switch between languages puts me to shame. He is dedicated to the task at hand, and does not suffer from the curse of many in the sports sector - ego. I would recommend working with Paulo to anyone working in football, and hope to work with him further in the future.
Musa Shannon Business Strategy Consultant at National Housing Authority November 3, 2014, Musa was a client of Paulo's	I have had the good fortune of working with Paulo for the past 4 years. He is by far one of the best legal minds that I have work with in soccer. He is highly efficient and professional, and believes that client confidentiality is the foundation of every professional working relationship. Paulo's speaks 4-5 languages fluently and this serves as a competitive advantage in this industry, he also understands global cultures and practices, which is extremely important when dealing with diverse clientele. Paulo always focus on long lasting solutions that are beneficial to his clients. Having Paulo as your representative will help you reach your professional objectives.
