

My name is Dimitris Dimolianis,
a football agent who holds a FIFA Intermediary license. Currently I'm representing
numerous
talented
players from
Greece, Bulgaria and Albania
who are looking for a chance to play in Italy's Serie B and C. I
would like to discuss any potential collaboration with you that could be to our mutual
benefit. Should you be interested in such a cooperation with us, I'd be glad to provide
any further information
regarding our players.
