SKILLS

I like a I can work with young players. A lot of my players progressed and went to better clubs. My teams play well tactically. I like offensive play with high pressure on my opponent. I am a good communicator with my players. I treat them fairly and take care of good team spirit.

CV KAMIL SOCHA

REFERENCE

To Whom It May Concern:

I am writing in reference to Kamil Socha and his job application. I have known Kamil for over 20 years as his mentor, working colleague and family friend. I have found him in this time to be very professional in his coaching, hardworking, loyal and outstanding in his management of individual players.

I would recommend Kamil for the position of first team coach because of his individual attributes, his experience working internationally and being qualified to the highest level in professional football.

If you require any additional information, please do not hesitate to contact me on the number below or alternatively email me.

To Whom It May Concern:

I am writing in reference to Coach Kamil Socha and his job application. I have known Coach Kamil Socha for almost 2 years as a player on his team in Poland. With complete honesty & transparency, Coach Kamil is the best coach I've had through my football career. I have found him to have a very professional approach in his coaching, relationships with players and everyone related to the club. As a coach, he's a very dedicated person who spends all week working hard with extreme determination to always be ready for the upcoming challenges. Furthermore, he's been loyal to everyone he's had contact with and outstanding in his management of individual players. As a player, I have improved and developed not only in all aspects of football but as a person who has the suitable mentality to deal with any situation thanks to Coach Kamil.

I would recommend Coach Kamil Socha for the position as a first team coach because of his individual attributes, professionalism and his experience working internationally and being qualified to the highest level in professional football.

If you require any additional information, please do not hesitate to contact me on the number below or alternatively email me.
