## RELATIONAL CAPACITIES AND COMPETENCES

- Excellent communication skills with the team
- Constantly compare my skills with other coaches and keep improve myself
- Excellent organizational skills
- Good technical-tactical skills acquired thanks to my experience as a footballer and coach, as a self-taught person who continues to study books and specific websites to improve my knowledge from this point of view.
- Excellent quality of technical-tactical data collection.

## ORGANIZATIONAL SKILLS

I prefer to study the psychology of the individual player to try to get the maximum football potential from each individual.

I do not fossilize in the usual tactical modules, suited to the characteristics of the players I have available the most appropriate methodology to ensure that they express their maximum potential, but of course I have a basic idea: defenders who know how to build the game from the defense . One of the main characteristics of the teams I train is the continuous search for a balanced possession of the ball.
