

# ITALY FOOTBALL ACADEMY

## IFA TALENT

**The Italy Football Academy was born in 2013 thanks to the passion of some boys for football with the intent to create a point of national reference regarding services to players, coach, agents and clubs.**

**The Agency is made up of various sectors:**

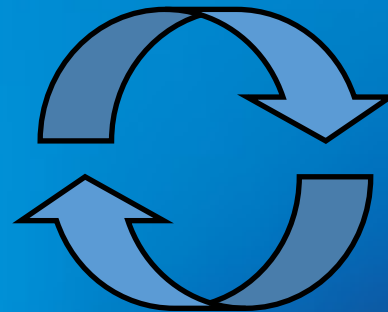

- . Ifa Event (Sport's Events)**
- . Ifa Talent (Scouting & Player Analysis)**
- . Ifa Training (Camp e Courses)**

# IFA TALENT

**Scouting**

**Reporting**

**Match Analysis**

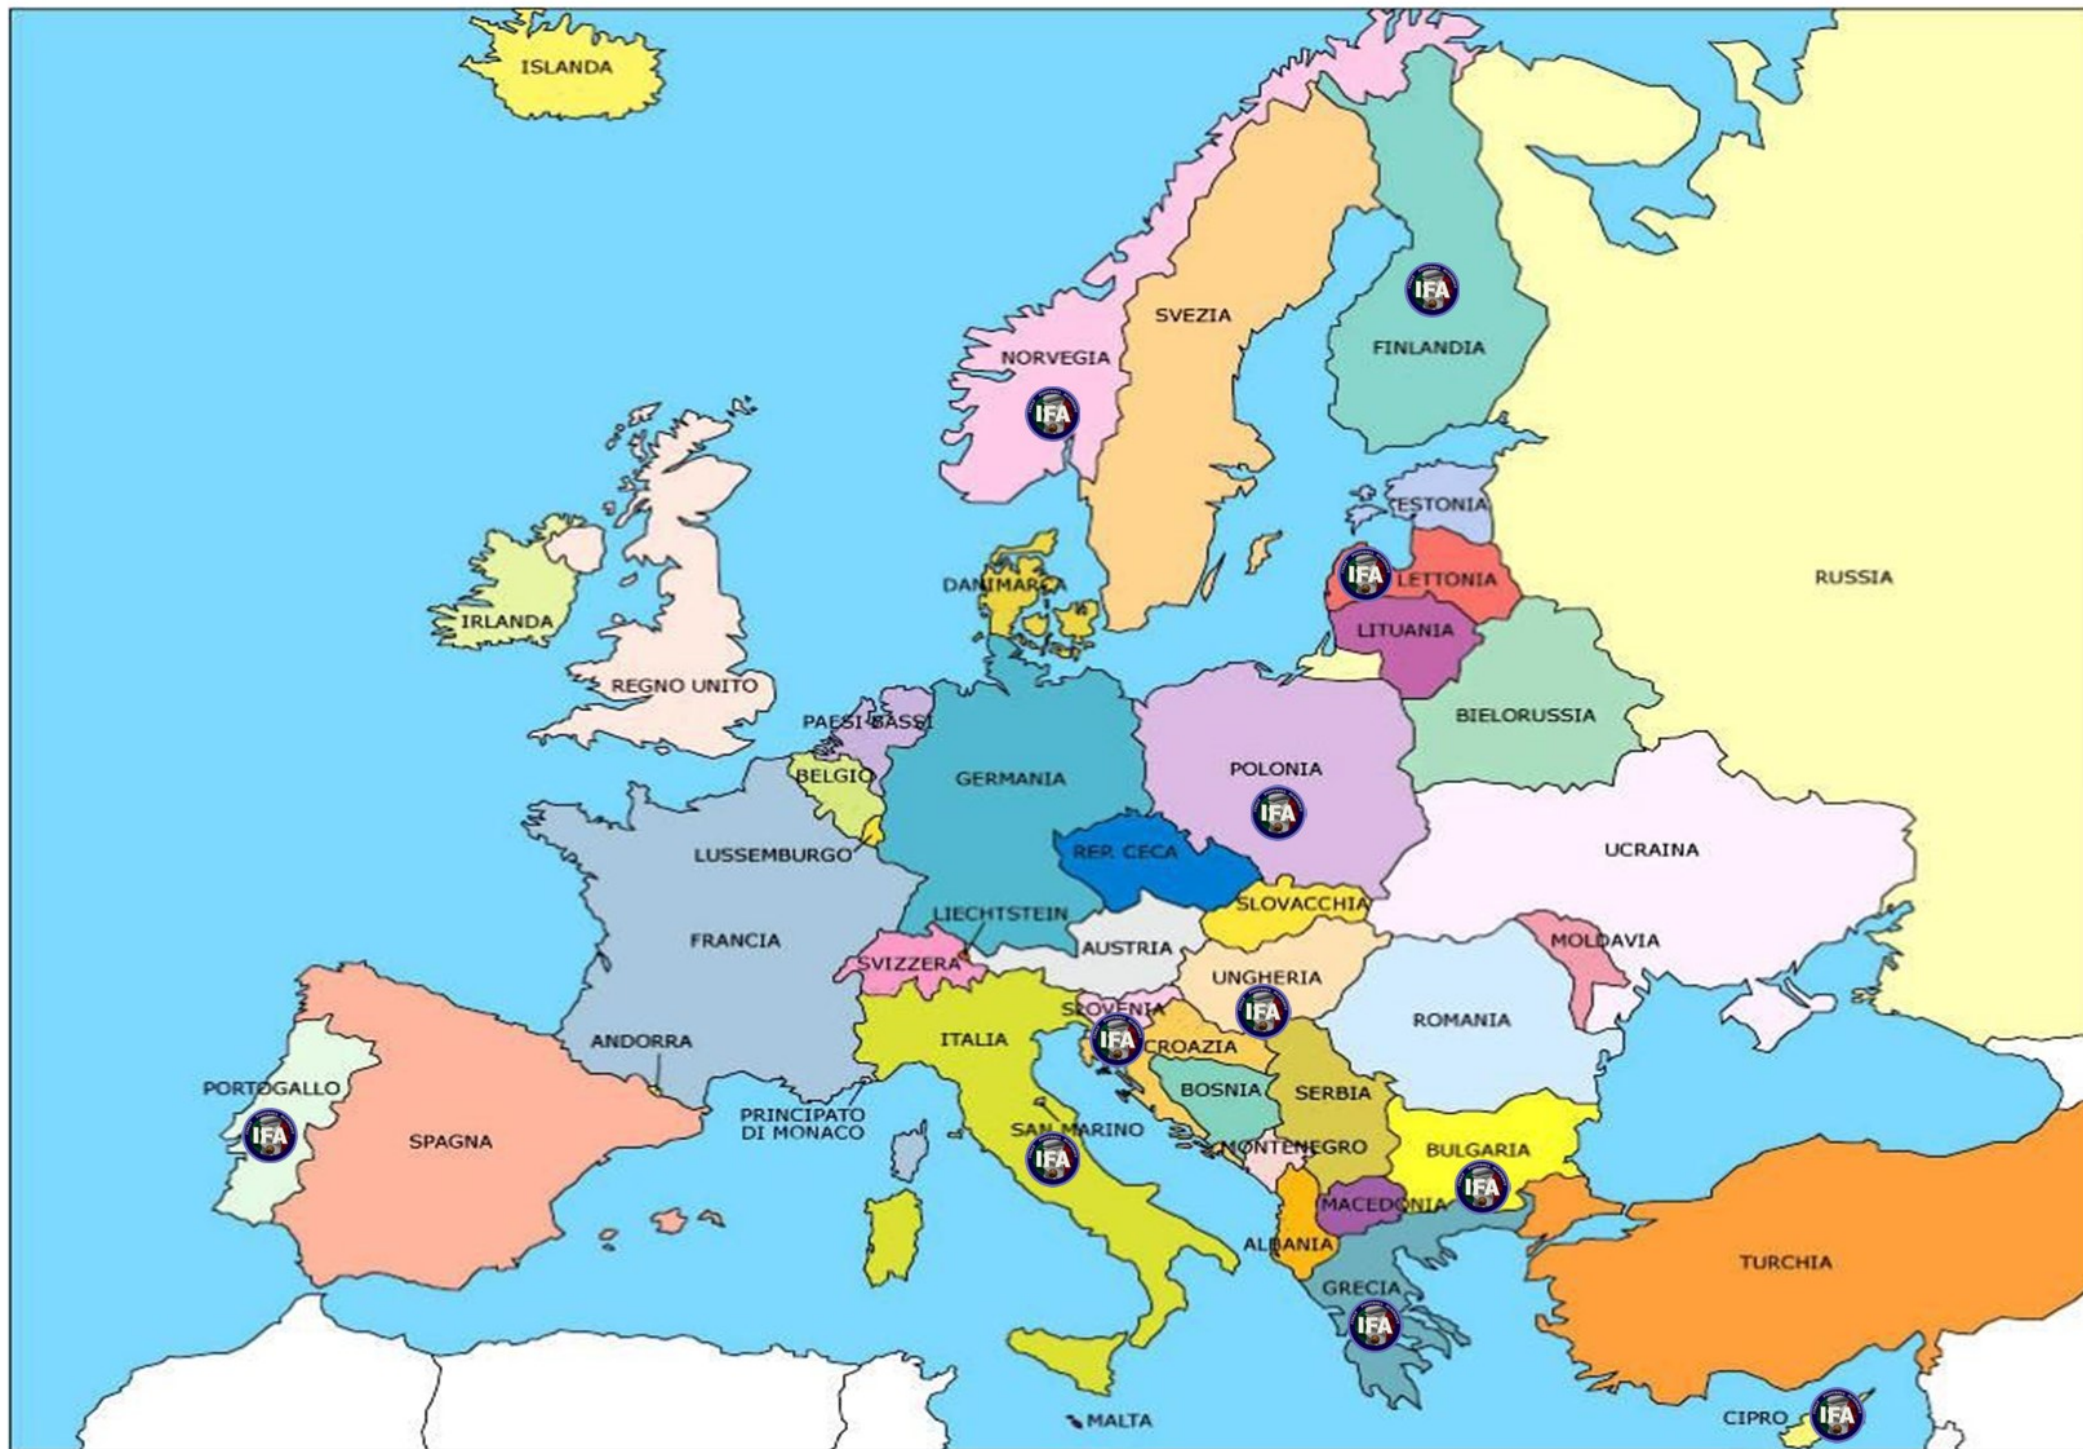

**Player Analysis**

- **Are you looking for a player? we view thousands of matches all over the world and we receive cv from the agencies we work with every day**
- **Do you have any interesting players to propose to the best European clubs?We have collaboration contracts with some of the best international clubs for talent research**
- **Do you want a match analysis of your club to correct weaknesses and enhance strengths?In our staff we have UEFA B Coach,Match Analyst PRO, Athletic coach & FIFA Agent**

# IL NOSTRO NETWORK

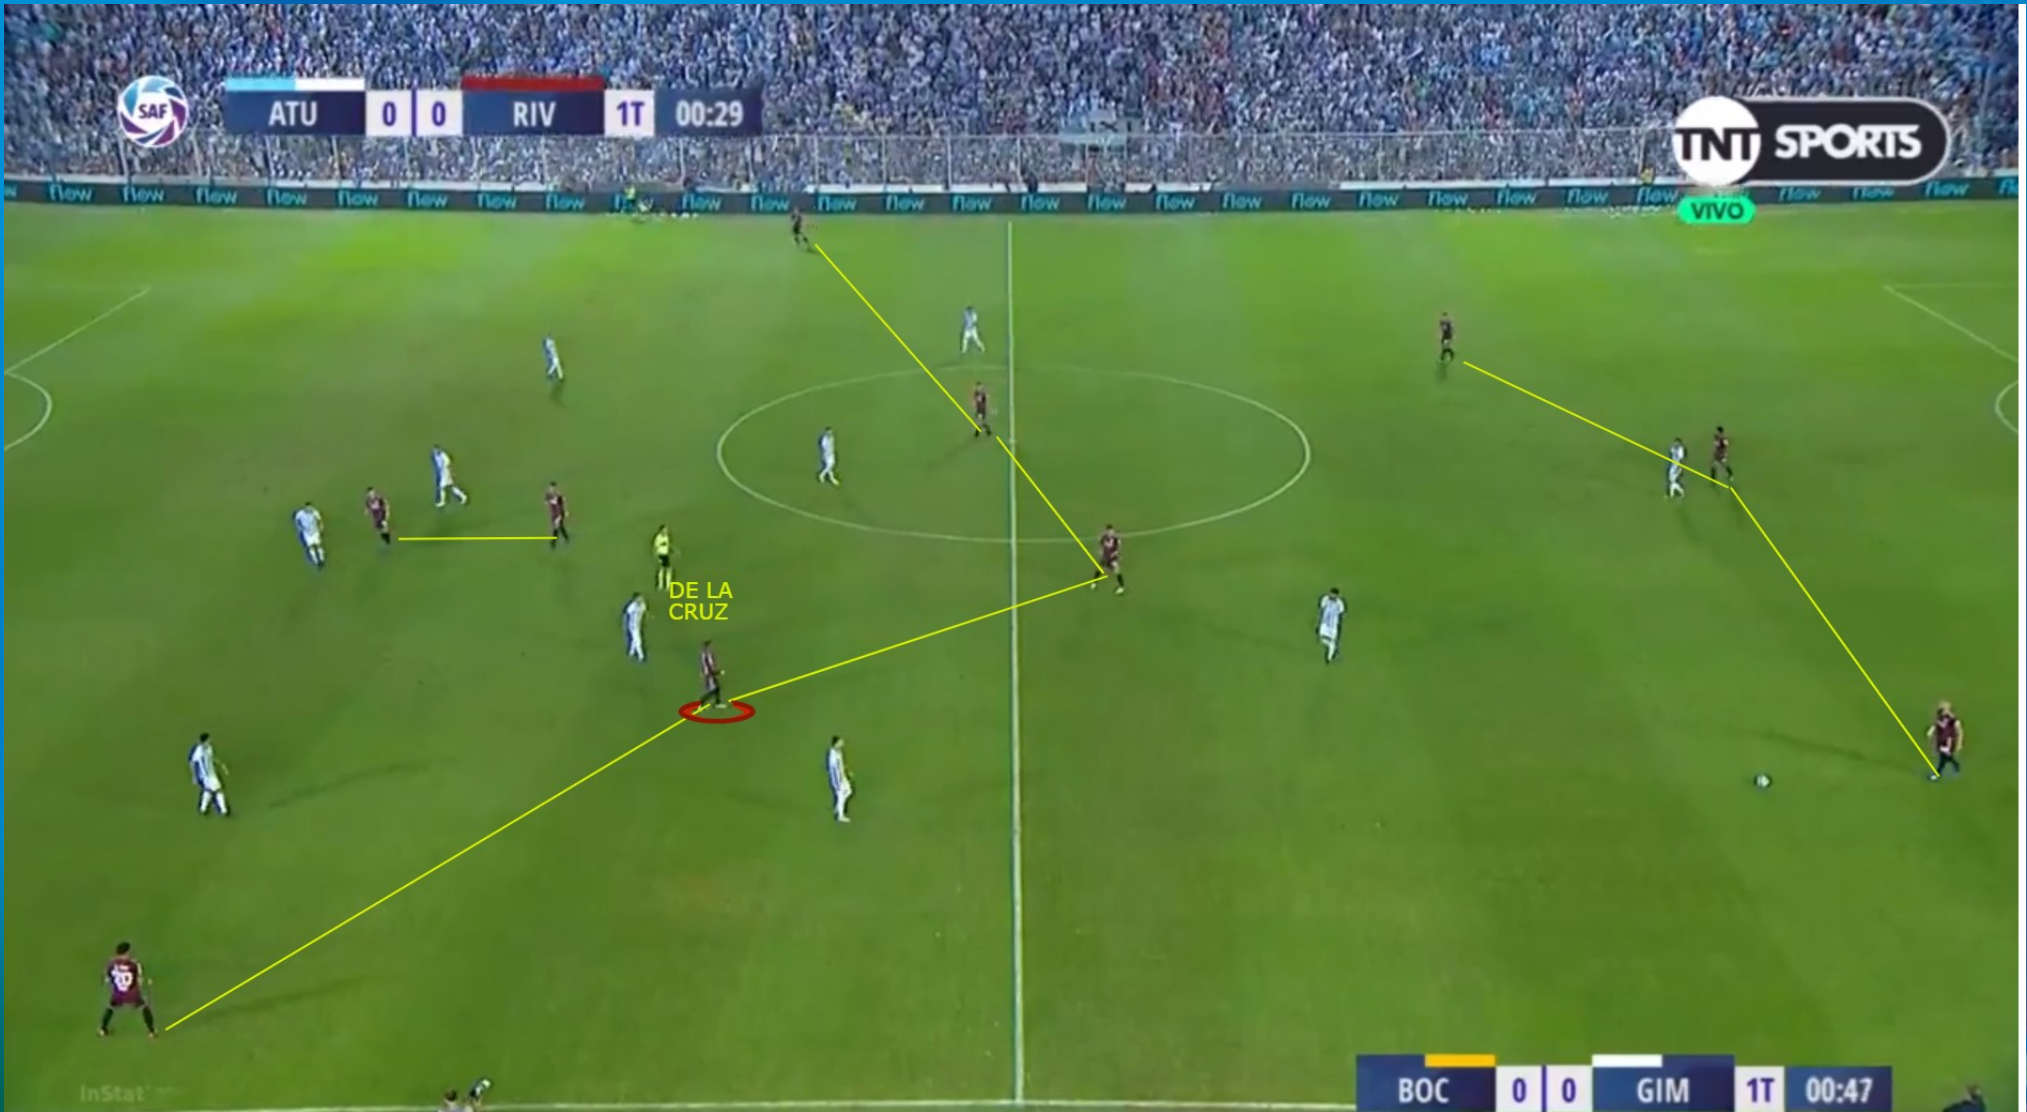

Nel 4-3-3 utilizzato dalla Nazionale Slovaca U17, Kotlar svolge il ruolo di ala sinistra. Ama ricevere palla largo per poi accentrarsi sul suo piede preferito (il destro). Con questo sistema, spesso, si propone anche per il fraseggio con i centrocampisti all'interno del campo, favorendo così la sovrapposizione del terzino.
